ABOUT ME

Passionate web designer and creative developer with a love for crafting beautiful digital experiences. Inspired by nature and storytelling, I build projects that feel magical and meaningful. Always eager to learn and grow in the intersection of design and technology.

SKILLS & INTERESTS

HTML / CSS	JavaScript	Web Design
UI/UX Design	Illustration	Branding
Storytelling	Gaming	Creative Writing

FEATURED PROJECTS

Quadro Catering & Events Website

2024–2025

Web Design

Designed and developed a full catering website with packages, reservation, and feedback sections. Built with HTML, CSS, and JavaScript with a warm, professional aesthetic.

Tambayan sa Imus Blog

2025

Web Design / Content

Campus blog for CvSU Imus featuring campus news, gallery, and student articles. Focused on community engagement and clean responsive design.

Personal Portfolio

2025–Present

Web Design

A nature-inspired portfolio showcasing creative projects, built from scratch with custom CSS animations and a cohesive green color palette.

EDUCATION

Bachelor of Science in Information Technology

Cavite State University – Imus Campus | 2022 – Present

Relevant coursework: Web Development, UI/UX Design, Database Management, Systems Analysis
